

Balance Rock Center presents...

A "Get The Lead Out" Dance Marathon!

We are holding a five hour dance-a-thon event to raise money to benefit Worcester ROOTS' Toxic Soil Busters Cooperative. The Cooperative aims to empower youth and clean our environment by hiring teens to plant "Phytoremediation Plants" that will take the lead and other harmful toxins out of the soil- helping to prevent one of the most common, and most preventable public health problems, Lead Poisoning.

Become a Dancer: Sign up in a group of 2-6 (or by yourself and we'll assign you to a group) and commit to have at least one person from your team dancing for the duration of the event.

Become a Sponsor: Does your business want a dance team of it's very own? Become a sponsor and we'll assign a dance team to you (or put together your own!) and pledge to donate a certain amount of money per hours danced (5 hours).

Or just come to show your support and have a good time!
