

Film Production Intern Wanted!

- Environmental Justice
- Youth Media
- Cooperative Business

Janice Serrano, Toxic Soil Buster and Super Intern Jon Martin

The Worcester Roots Project, a grassroots non-profit based in Main South, is looking for a Fall intern to work with youth members of the Toxic Soil Busters program – a group of youth, ages 15-16, making neighborhoods healthier and safer by getting lead out of the soil – on a documentary.

Positions available for volunteer interns and students looking for academic credit.
Internships Fall 2007 and Spring 2008.
