

Co-op Academy Results

Pre / Post Survey Results:

Participants were asked to rate their knowledge in the following areas before and after the Academy. We saw at least a 1 point increase in every area and an overall average increase of about 2 points.

We see that more improvement is needed in market feasibility training components.

In the words of the participants:

Participant Evaluations:

The average ratings on a scale of 1-5

Overall usefulness of training	4.5
Mix of Participants	4.7
Trainers in general	4.5
Materials	4.5
Food	4.8
Meeting Space	4.6
